KAI ZHANG

kai.zhang@example.com | Seattle, WA

SUMMARY

Junior Machine Learning Engineer with 1.5 years experience building tabular and computer vision models.

EXPERIENCE

Junior ML Engineer | VisionAI Labs | Aug 2023 - Present
- Trained image classification models using PyTorch, OpenCV, and scikit-learn.
- Built data preprocessing scripts in Python and Pandas.
- Wrote API endpoints using FastAPI and Docker.

EDUCATION

Bachelor of Science in Data Science | University of Washington | 2019 - 2023

SKILLS

Python, PyTorch, Scikit-learn, OpenCV, Pandas, NumPy, FastAPI, Docker, Git, Linux
